Dear LEMOC Members

On behalf of the Car Show Committee I would like to express a Big Thank You to all who helped in any way making this another successful year. Yes, we did get hit again for the second year in a row with rain but as you could see, we are a bunch of die-hards and we still had a great time. Everyone worked very hard and for many months to again make this a great year. Like always, we are a dedicated club and put on a Regional Show that's second to none. I heard many, many positive comments from participants regarding our club and its members and also this fine show every year. We had a great Charity this year and they expressed a great deal of gratitude towards our club and our support to them in selling the tickets and helping them with this event. Our 19th Annual Car Show is in the History Books and we look forward to planning next years already. Thanks again and we'll see you at the next meeting and at our 25th Anniversary Picnic in September. If you haven't been able to come to meetings and socialize with us there then PLEASE put it on your calendar to come to the picnic. It will be at Evergreen Lake Campground in Conneaut Ohio. Watch for more info in the mail and come and help us celebrate our Great Club...

Jerry DeRosa
President

Aren't you glad it's over..My nagging will stop..and all the reminder emails will stop..(For a while) You all came through again as usual and I couldn't be more thankful to all of you who donated, money, time, lottery tickets, merchandise, home made items (yes, that's you Betsy!!) beautiful hand made bags that everyone went nuts over. Also to all of you who beat on the doors of Companies for large donations, I again thank you with all my heart. Our Chinese Auction is successful because of all of you. Every year it gets bigger and better. You are all AWESOME!!!

See you at the Picnic!!

Chris DeRosa
Chinese Auction and Door Prize committee

-----------	---------	---	----------------

Meeting August 6th 2008

In Attendance: Don Schmitz, Denise Ricci, Doug & Beth Mather, Carol & Basil Yurchak, John & Debbie Whelpley, Gary Tagliente, Bob Wurst, Jerry Seamans, Gary Garis, Al & Pat Birch, Fran Yost, Jim Kwiatkowski, Merrel Crisman, Jason scnlon, Gavin Hedderich & Bonnie Matherne, John Pete, Larry Keith, Jim & Henryka Malanowski, Mike Trinko, and Dave Cochran

Treasurer's Report: was read and approved.

Secretary's Report - as presented in the Pony Post – was approved.

Committee Reports:

Pony Post: **Fran is looking for help with the Pony Post, specifically in the printing and mailing of the newsletter.**

Can-Am Cruise: Everyone had a good time. There were 20 – 30 cars throughout the weekend. Lake City Paint was happy to host the picnic on Sunday, many people enjoyed the White Turkey cruise. Thanks, Mike, for another successful Can-Am Cruise and all of your efforts!

Membership: 87 members strong! Welcome to our new members! At the meeting were Merrel Crisman, new member with an '07 Mustang and to Jim and Henryka Malanowski with an '05 GT.

Web Page: Some items have been deleting themselves, so Chris is working on building a new page. He is sorry for any inconvenience, but within several days, the new page should be up and running.

Car Show: Debbie Whelpley reported that we have received 22 pre-registrations. Everything is in place and we are ready for Sunday. Members were reminded to be at the show site to assist in prep on Saturday at 2:30 PM and on Sunday for the show at 8:00 AM. 26 baskets are ready for the Chinese Auction and 3 vendors will be there.

Merchandise: Prices for merchandise are as follows:

T-Shirts	\$10.00
Sweatshirts	\$18.00
Jackets	\$45.00
Umbrellas	\$12.50
Camp chairs	\$22.00
Coozies	\$ 1.00

No Borders National MCA Show: Fun!!!! Good Time!! All club members that went to Canada, came home with awards/trophies. Congratulations to all the winners: Jerry and Anne Seamans, Carol and Basil Yurchak, Keith and Vicki Owens, Dave and Teresa Cochran, Denise Ricci, Duane Hogan, and Mike Trinko.

Comments For The Good Of The Order:

**** Jerry DeRosa reminds us once again – membership dues are to be paid by August 31st if wanting to renew LEMOC membership

**** Denise Ricci, thanked Jerry Seamans for a well organized caravan to Canada

**** Doug Mather reminded members that Show T-shirts ordered for the show Sunday, would be available after the meeting.

**** Beth Mather shared information of a 1993 Mustang GT Convertible, Fox Body Style is for sale - \$8,000.00. Black on black with new paint, new top in '06, G Force Sport Tires, 302 Block, bored .30 over, Magna Flow Catback exhaust system, BBK Ceramic coated headers, custom wing, automatic, cruise, power windows, door locks, leather interior with air conditioning. If interested, call Andy Wheeling at 814-827-0505.

**** Dave Cochran won a Ford/Mercury leather jacket while at the No Borders Inter-Nationals - 2008

**** Mike Trinko won Ford Explorer chairs and reiterated that the weekend was a good time.

**** John Pete may have his '67 back to go to the next Buggin' State Street.

**** Gavin said the Dan Rice Days were a good time – **burn outs were permitted!**

**** Fran's car will be painted soon – Crimson Red.

**** Duane Hogan agreed that Canada was a good time – even though his book of documented changes to his car got very damp!

**** Al Birch looking for a shift cable for his motor home – his got a kink in it and Ford tells him the part is obsolete! Anyone with suggestions for Al should give him a call.

**** Don Schmitz thanked everyone again for their participation in the Millcreek Parade on the 4th of July.

**** Gary Garis is riding in comfort in his "new" '98 black GT

**** Jerry Seamans reported that our club has sent \$302.00 to the Mystical Build and Canada was a good time!

**** Meeting was adjourned at 8:40 PM

Club Etiquette – Please remember, that when the meeting is being conducted if you should get a call on your cell phone, please step into the hallway and take the call so that others at the meeting can hear the information being presented.

Thanks!

Sunshine Committee:

Please remember to contact **Carol Yurchak** (866-6706) if you are aware of a need for a card to a LEMOC member (Congratulations, Get-Well, Sympathy, etc.). Everyone needs to assist in letting Carol know when this is needed

*** Everybody *will* get their New "LEMOC Membership Cards 2008-2009"***

When you pay your dues for 2008-2009 (August to August)

If you haven't received yours, *after you have paid*, just let us know.

Bob Wurst 814-825-9611 wurstb@lemoc.com

Jim Cooney at Thomas Lee Printing printed the cards.

****(Free posting for LEMOC Members classified Ads)****

Come on everybody, the only way this section will work is if *Everybody* helps.

Cars for Sale:

1993 Mustang GT Convertible, Fox Body Style is for sale - \$8,000.00. Parts for Sale:

Pennsylvania Pony Parts papony@velocity.net have a wide variety of New & Used Parts. (814)838-8153 ** they're a full Mustang Parts Dealer for the 1964½ to Present Mustangs. **

MUSTANG FACTS!

Useful or not

1967 - 1968 ford mustang

<http://classicponycars.com/history.html>

Now a 1967 brought the first major restyling to the Ford Mustang. The Mustang was starting to grow up. The length and height were increased, 2.7" and .5" respectively. The wider body allowed for the installation of a tire smoking, 320 horsepower, 390 cid engine, the first big block engine in the Mustang. Among new options for the 1967 Mustang were the tilt-away steering wheel, an overhead console, power disc brakes, and an all new transmission, the FMX, which allowed fully automatic or manual shifting. The Mustang fastback's roof line was extended to the rear of the trunk. Interior trim options were decreased from 34 in 1966 to just 20 in 1967. Production for 1967 slipped to just over 472,000 units.

The 1968 Mustang was little changed from its 1967 counterpart. Most of the changes were in subtle refinements to the interior and exterior. New options for the 1968 Mustang included an AM/FM stereo radio, rear window defogger (coupe and fastback only), re-designed front power disc brakes, and the all new 302 cid engine. The 302-4V, 230 horsepower engine replaced the 289 Challenger Special of previous years. By December of 1967, the 289 engine was replaced entirely by the 302 version. Other changes *included the deletion of the horizontal grille bars, the deletion of the F-O-R-D letters at the front of the hood, simplification of the quarter panel ornament*, and many safety features were added. Due to increasing governmental regulations, the 1968 Mustang *now included front and rear side marker lights*, folding, flush mounted interior door pulls, and an energy absorbing steering column. There were several "region specific" models offered from various dealers. Two of the most notable were the Mustang California Special, and the Mustang High Country Special. Total production for 1968 was 317,404 units.

Celebrate LEMOC's 25th Anniversary

1:00pm Evergreen Lake Campground Conneaut Ohio

What: End of Sunner Picnic

When: September 28th 1:00pm till

Where: Evergreen Lake Campground
Conneaut, Ohio

Did you know this?

From a friend:

I had a neighbor who had bought a new pickup. I got up very early one **Sunday morning** and saw that someone had spray painted red all around the sides of this beige truck (for some unknown reason). I went over, woke him up, and told him the bad news. He was very upset and was trying to figure out what to do (probably nothing until **Monday morning** since nothing was open.) Another neighbor came out and told him to get his WD-40 and clean it off. It removed the unwanted paint beautifully and did not harm his paint job that was on the truck. I'm impressed! WD-40... who knew?

Water Displacement #40.

The product began from a search for a rust preventative solvent and degreaser to protect missile parts. WD-40 was created in 1953 by three technicians at the San Diego Rocket Chemical Company. Its name comes from the project that was to find a 'water displacement' compound. They were successful with the 40th formulation, thus WD-40. The Corvair Company bought it in bulk to protect their atlas missile parts.

Ken East (one of the original founders) says there is nothing in WD-40 that would hurt you. When you read the 'shower door' part, try it. It's the first thing that has ever cleaned that spotty shower door. If yours is plastic, it works just as well as glass. It's a miracle! Then try it on your stovetop... Voila! It's now shinier than it's ever been. You'll be amazed.

Here are some of the uses:

- 1) Protects silver from tarnishing.
- 2) Removes road tar and grime from cars.
- 3) Cleans and lubricates guitar strings.
- 4) Gives floors that 'just-waxed' sheen without making it slippery.
- 5) Keeps flies off cows.
- 6) Restores and cleans chalkboards.
- 7) Removes lipstick stains.
- 8) Loosens stubborn zippers.
- 9) Untangles jewelry chains.
- 10) Removes stains from stainless steel sinks.
- 11) Removes dirt and grime from the barbecue grill..
- 12) Keeps ceramic/terra cotta garden pots from oxidizing.
- 13) Removes tomato stains from clothing.
- 14) Keeps glass shower doors free of **water spots**.
- 15) Camouflages scratches in ceramic and marble floors.
- 16) Keeps scissors working smoothly.
- 17) Lubricates noisy **door hinges** on vehicles and doors in homes
- 18) It removes black scuff marks from the kitchen floor! Use WD-40 for those nasty tar and scuff marks on flooring. It doesn't seem to harm the finish and you won't have to scrub nearly as hard to get them off.
Just remember to open some windows if you have a lot of marks.
- 19) Bug guts will eat away the finish on your car if not removed quickly! Use WD-40
- 20) Gives children's play gym slide a shine for a super fast slide.
- 21) Lubricates gear shift and mower deck lever for ease of handling on riding mowers.
- 22) Rids kids rocking chairs and swings of squeaky noises.
- 23) Lubricates tracks in sticking home windows and makes them easier to open.
- 24) Spraying an umbrella stem makes it easier to open and close.
- 25) Restores and cleans padded leather dashboards in vehicles, as well as vinyl bumpers.
- 26) Restores and cleans roof racks on vehicles.
- 27) Lubricates and stops squeaks in electric fans.
- 28) Lubricates wheel sprockets on tricycles, wagons, and bicycles for easy handling.
- 29) Lubricates fan belts on washers and dryers and keeps them running smoothly.
- 30) Keeps rust from forming on saws and saw blades, and other tools.
- 31) Removes splattered grease on stove.
- 32) Keeps bathroom mirror from fogging.
- 33) Lubricates prosthetic limbs.
- 34) Keeps pigeons off the balcony (they hate the smell).
- 35) Removes all traces of duct tape.
- 36) Folks even spray it on their arms, hands, and knees to relieve arthritis pain.
- 37) Florida's favorite use is: 'cleans and removes love bugs from grills and bumpers.'
- 38) The favorite use in the state of New York WD-40 protects the Statue of Liberty from the elements.
- 39) WD-40 attracts fish. Spray a LITTLE on live bait or lures and you will be catching the big one in no time. Also, it's a lot cheaper than the chemical attractants that are made for just that purpose. Keep in mind though, using some chemical laced baits or lures for fishing are not allowed in some states.
- 40) Use it for fire ant bites. It takes the sting away immediately and stops the itch.
- 41) WD-40 is great for removing crayon from walls. Spray on the mark and wipe with a clean rag.
- 42) Also, if you've discovered that your teenage daughter has washed and dried a tube of lipstick with a load of laundry, saturate the lipstick spots with WD-40 and re-wash. Presto! Lipstick is gone!
- 43) If you sprayed WD-40 on the distributor cap, it would displace the moisture and allow the car to start.

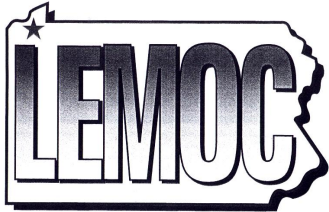

WD-40

P. S. The basic ingredient is FISH OIL
