From the Prez

Mustang summer 2010 is off and running. Many of us have already participated in various cruise-ins, parades, and various other events. Please take note of the Calendar of Activities in this Pony Post for a few upcoming events.

We are now just 1 month away from our premier LEMOC event, the Mustang Round-Up at Ferrando Ford on August 1st. The pieces are coming together nicely, but there is still some work to do. Please support the show committee if asked to volunteer or assist with various activities. Also, don't forget to get your donated items (or a few dollars) in for the Chinese Auction.

Please remember, there will be 2 LEMOC meetings in July – on the 7th and 28th. There WILL NOT be a meeting in August.

Jerry S.

Our next club meeting is Wednesday, July 7th at 7:30p at the Boy Scout Building, 1815 Robison Road. I hope to see you there!!

Attention - LEMOC Members

REMINDER: Our regular July LEMOC meeting will be held as scheduled on July 7th. Additionally, a 2nd meeting will be held Wednesday, July 28th to finalize plans for our Car show. The August 4th meeting will be cancelled and we will not have any meeting in August.

LEMOC Car Show Meeting will be held at 6:30pm July 7th (before our regular LEMOC meeting). Car Show committee members are asked to attend.

Cruise the Bay at the Bayfront - every Monday except holidays.

Buggin State Friday, June 25th; There is only one event this year, so try to get there if you can.

LEMOC Member Spotlights – Help!! We are still in need of Member Spotlight articles. Your write-up can be in any format (hand-written, typed, electronic). If you are willing to share your personal 'Mustang Story', please contact Jerry Seamans.

Conneaut Cruises are in full swing on Thursday evenings at the beach - Conneaut, OH.

LEMOC History

The MCA has requested a brief history from each Chartered Regional group. The following has been provided to the MCA for LEMOC.

The Lake Erie Mustang Owners Club (LEMOC) was founded in Erie, PA in 1983, with a focus on the preservation and enjoyment of all years and models of Ford and Shelby Mustangs. In 1986, LEMOC became a charter regional group of the Mustang Club of America.

The strength of LEMOC is our focus on family involvement and our common love for the Mustang hobby. We are currently supported by 70+ family memberships. Our monthly newsletter, "The Pony Post" keeps all members aware of club business and events, as well as other Mustang related news and activities.

LEMOC hosts and participates in numerous Mustang related activities, and coordinates various other club related activities for members. LEMOC's signature club event is our annual Mustang Round-Up. The first Round-Up was held in 1988, making 2008 our 20th annual all Mustang show. This show is traditionally held the first Sunday in August, with proceeds benefitting various local charitable organizations.

LEMOC – Erie Yacht Club Outing

Those that attended had another very enjoyable evening with our friends at the Erie Yacht Club. We had a great showing of 22 LEMOC Mustangs and we were joined by several other non-LEMOC Mustangs as well. The fantastic weather made it a very nice event and I know everyone enjoyed the great food and beverages. Thanks to all who participated.

See-Through Tires

(submitted by Duane Hogan)

In the "Strange but True" category, check out this radical next generation tire design by Michelin. Yes, those are spoke-like connection fins from the outside tread wrap to the inner part of the tire. The tires are airless, but still give a smooth ride. They are expected to be on the market soon.

Just think – No more air valves or repair kits, no more air compressors at gas stations, no more flat tires. Cost and tire wear are unknown.

The bad news for law enforcement is that Stinger Spikes will not work on these.

Universal Laws of Life

Law of Mechanical Repair

After your hands become coated with grease, your nose will begin to itch and you'll have to pee.

Law of Gravity

Any tool, when dropped, will roll to the least accessible crevice furthest away from you.

Law of Random Numbers

If you dial a wrong number, you never get a busy signal and someone always answers.

Law of Variation

If you change lines (or traffic lanes), the one you were in will always move faster than the one you are in now (works every time).

Law of the Bath

When the body is fully immersed in water, the telephone rings.

Law of Close Encounters

The probability of meeting someone you know increases dramatically when you are with someone you don't want to be seen with.

Law of the Result

When you try to prove to someone that a machine won't work, it will...

Law of Biomechanics

The severity of the itch is inversely proportional to the reach.

Law of the Theater

At any event, the people whose seats are furthest from the aisle will arrive last.

The Starbucks Law

As soon as you sit down to a cup of hot coffee, your boss will ask you to do something which will last until the coffee is cold.

Murphy's Law of Lockers

If there are only two people in a locker room, they will have adjacent lockers.

Law of Physical Surfaces

The chances of an open-faced jelly sandwich landing face down on a floor covering are directly correlated to the newness and cost of the carpet.

Law of Logical Argument

Anything is possible if you don't know what you are talking about.

Wilson's Law of Commercial Marketing Strategy

As soon as you find a product that you really like, they will stop making it.

LEMOC Road Rally - Postponed

Once again, my sincere apologies for postponing the LEMOC Road Rally. The Spring just became much busier than I ever expected. However, I am still planning to fit it in later this year, probably in the early fall. So please stay tuned.

Thanks, Jerry S.
