Happy Thanksgiving

Hi to all LEMOC members,

Well winter is upon us and the ponies are tucked away. 2008 will soon come to a close and we will look forward to next year for another great year for our club. I would like to take this opportunity to thank you members for letting me be your President for the last two years. You people made my job easy to run our club because we have a lot of dedicated people with the same agenda. Have some fun and make friends along the way. Thanks to all of the officers this year and good luck to next years officers.

See you at the Christmas Party,

Jerry DeRosa

**Public Relations:** Jerry Seamans presented a post card type informational card containing information about LEMOC that members can distribute to local Mustang enthusiasts as members attend car shows or cruises

**Cruise/No Snooze Event:** 13 Mustang and 3 non-Mustangs participated, even though the weather report was threatening – it turned out to be a nice day.

We made a stop at Wendy's in Warren for lunch, then a brief stop at Kinzua Dam on our way to Bradford. The tour at the Zippo Factory was very interesting and those of us that attended received goody bags, and we gave our tour guide 2 bottles of wine from our National Show in appreciation.

### **Next year, the plan is to return to a Snooze and Cruise!**

President, Jerry DeRosa reported that we received a thank you note from the Cruise the Bay Front organizers. The average attendance at the Monday Cruise-Ins was 190 cars/cruise. They are looking forward to next summer and thanked LEMOC for their support and participation.

### **Comments For The Good Of The Order:**

Mike Trinko saw something he never thought would be seen again – Gas at 1.99/gallon! This price is at North Kingsville, OH.

Jason Scanlon shared pictures of his race experience – looked like it was a good time!

Mike Henderson didn't have anything to share – it was good to see him!

Doug Mather shared with the group that the Shelby is painted!!!!!!!!!!!!!! Also, the Ford Swap Meet is Nov. 29 and 30 at the state fairgrounds in Columbus, OH

Jerry DeRosa reminded everyone of the **Christmas Party on the 14<sup>th</sup> of December – *no club meeting on the first Wednesday***, the party replaces that meeting – and, nominations remain open until the election that evening. Jerry also said good-bye as this was his last meeting as club president.

To Jerry DeRosa – Thanks for a job well done!!!!!!!!!!!!!!!!!!!!

Fran Yost motioned to adjourn the meeting and Doug Mather seconded the motion.

**Club Etiquette** – Please remember, that when the meeting is being conducted if you should get a call on your cell phone, please step into the hallway and take the call so that others at the meeting can hear the information being presented.

Thanks!

# Interesting Facts

I have been driving for years... I would think I should have noticed the little secret on my dashboard that was staring me in the face the whole time...I didn't...and I bet you didn't either...  
Have you ever rented or borrowed a car and when arriving at the gas station wondered...mmm, which side is the gas filler cap?

My normal solution was to stick my head out the window, strain my neck and look, try to see in the side mirrors or even get out of the car!

Well ladies and gentlemen, I'm going to share with you my little secret so you will no longer look like Ace Ventura on your way to the gas station or put your neck at risk of discomfort or injury.

If you look at your gas gauge, you will see a small icon of a gas pump?

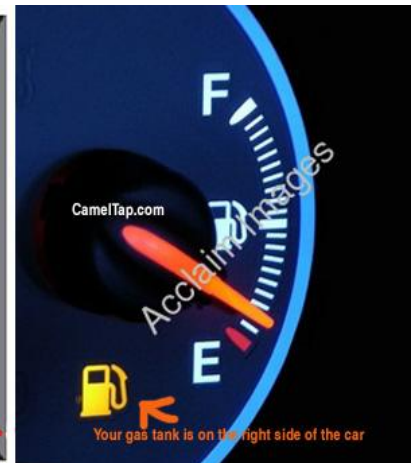

The handle of the gas pump will extend out on either the left or right side of the gas pump?

If your tank is on the left, the handle will be on the left?

If your tank is on the right, the handle will be on the right  
(See photo). It is that simple!

**Don't feel dumb, just go out and share**

**The world's best kept auto secret with your friends.**

Merry  
Christmas

# Did you know this????

[http://www.motortrend.com/features/112\\_0404\\_m\\_facts/index.html](http://www.motortrend.com/features/112_0404_m_facts/index.html)

Nobody wants to be a [Mustang](#) nincompoop. Armed with a few key Mustang morsels of wisdom, you can amaze your friends, gather approving nods, and score valuable "gotcha" points at the next Mustang club picnic. For instance, [Ford](#) never officially sold a 1964 1/2 Mustang. There were early 1965s, delivered from April through August of 1964, and late 1965s sold afterwards. All first-year Mustangs were registered and titled as 1965 models. Now, here's a few more Mustang factoids bound to earn you bench racing kudos.

## **Quickest Mustang (factory stock)**

In 2003, Motor Trend hustled a [2003 Mustang](#) SVT Cobra to a 12.84 at 113.18 mph on stock radials. A few years earlier we ran a [2000 Mustang](#) SVT Cobra R to a nearly identical 12.88 at 112.77 mph.

## **Fastest Mustang (race car)**

At 327.43 mph, Force teammate Gary Densham is the guy who's piloted the fastest Mustang funny car in history.

## **Fastest Stock Mustang(factory stock)**

In 2003, we circled the high-bank five-mile oval at [Ford's](#) Desert Proving Grounds in a 2003 Mustang Cobra to record a 159-mph run. With the supercharged 4.6-liter V-8 still pulling hard, the Cobra's electronic speed limiter kicked in and halted the fun.

## **Fastest Land-Speed Mustang**

During the [1997 Bonneville](#) Speed Trials, Bill Wideman piloted his "Old Muscle" 1966 Mustang fastback to a two-way average of 233.529 mph as he skimmed across the hard-packed salt. The car made use of an 875-horsepower 302-cube V-8 fed by a pair of turbochargers.

## **Best-Selling Mustang**

1966 Mustang--549,436

## **Worst-Selling Mustang**

1991 Mustang--80,247

## **Most Popular Mustang Trim Level**

Would you guess the "El Strippo" Mustang is the best-selling trim level? The most-popular year for base trim is 1966 with a total of 422,416 Mustang coupes (fit with standard interior) sold.

## **Most Famous Mustang**

While some may argue that the early 1965 Mustang is the most well-known (it started the craze), most gearheads will likely agree that Steve McQueen's green 1968 Mustang GT featured in the classic film "Bullitt" takes top honors.

## **Winningest Mustang of All Time**

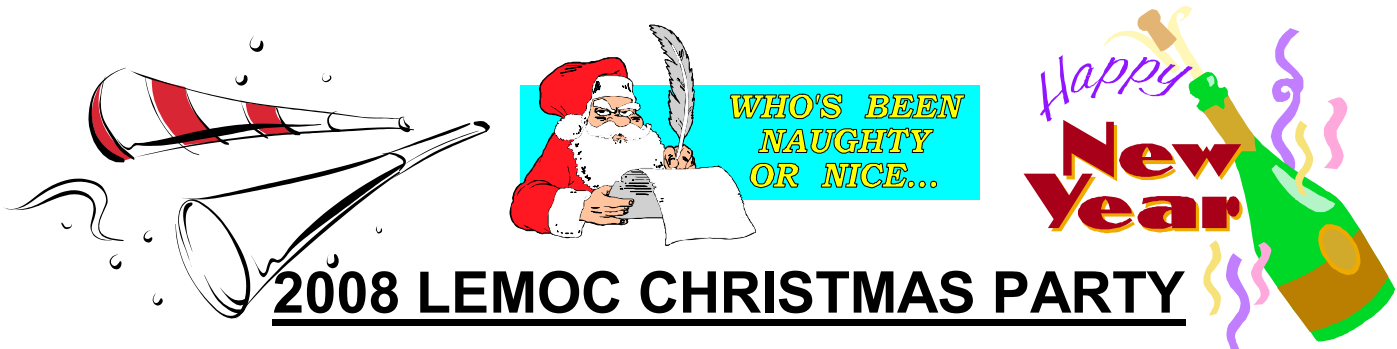

With 44 wins (as of the end of the 2003 NHRA season), John Force holds the title of the winningest Mustang. However, after countless bashes, crashes, and explosions, it's debatable if his Mustang has remained the same car--likely not. Thus, SCCA Trans-Am road racer Tommy Kendall's Mustang may hold the record with 11 consecutive wins during the 1997 season.

## **Highest-Horsepower Mustang**

Applying old-style SAE gross ratings, the 1969/1970 Mustang Boss 429 and 1971 Mustang Super Cobra Jet 429 produced an advertised (yet likely underrated) 375 horsepower. The tuner 1967 [Shelby GT500](#) had an optional side-oiler V-8 that produced an advertised 425 SAE gross horsepower. Applying modern SAE net ratings, the 2003-[2004 Mustang](#) SVT Cobra wins the power game with 390 horsepower from its supercharged 4.6-liter DOHC V-8.

## **Lowest-Horsepower Mustang**

The [gas](#) crunch of the 1970s hit hard, choking horsepower, with the most dismal example being the 2.3-liter I-4 with 88 horsepower. It was fitted as the base engine in many Mustang models from 1974 through 1986.
